OUR PROCESS

How we *work*.

02 Quote & confirmation

Detailed proposal sent within 24 hours. Digital contract and 30% deposit to lock the date in our schedule.

03 Pre-shoot preparation

Shot list, run-down sync, on-site visit (for events), and equipment check the day before — no surprises on the day.

04 Production day

We shoot the full schedule with redundant dual-card backup and on-site QA every 60 minutes.

05 Editing & curation

Color grading, retouching, and selection. Preview within 24 hours (event) or 3 days (profile).
